► Eyebrow Lamination (60mins)

\$2680

A new procedure that focuses on creating shiny, smooth brows. The treatments can make messy eyebrows sculpted and positioned in the direction of hair flow and achieve a fluffy natural effect. Pulling the hairs up vertically may also make it look like you are experiencing new growth. The entire process is non-invasive, and usually last about 6 weeks.

► Lash Lift & Tint (90mins)

\$2680

Lash lifting is a SAFE, SECURE, NATURAL treatment that aims at enhancing your own lashes by lifting them from the root and giving them more length, which really helps to open up the eyes and always makes you look bright-eyed and alert. Usually last about 6~8 weeks.

Lower lash Lift & Tint (black)	\$980 (No Discount)
Eyebrow Tint (black)	\$680 (No Discount)

► Lash Lift & Tint Add-on Plump + Glaze Care

\$880 (No Discount)

Glaze does Triple duty with an Ultra-nourishing Keratin Formula that helps condition and strengthen lashes, holds curled lashes in place, and also lightly tints them. Glaze is perfect for clients with brittle and light-colored lash that need a little TLC(Total Life Changes) and a Hint of Drama. Boost lash impact with Plump. 24Karat Gold-infused solution adds nutrients to increase lash density up to 24% from the inside out. Perfect for use after a lash lift or applied directly on natural lashes, Plump keeps lashes healthy and full and effortlessly bold.
